CONNECT WITH PURPOSE

CAPABILITY STATEMENT

Tayyab Group Inc. d/b/a VYBX · getvybx.com

Smarter events, stronger membership engagement and easier access to community resources, with clear labels for what is available today and what is coming next.

SOLUTIONS

VYBX Live · Events, Destinations & Experiences. Event pages, check-in and attendee engagement for festivals, conferences and community events.

VYBX Engage · Membership & Organizational Engagement. Member directories, dashboards and referral sharing.

VYBX Connect · Community Resources & Support. Helping people find food, clothing and housing resources.

VYBX Insights · Shared analytics and reporting, starting with VYBX Live.

AVAILABLE TODAY

- Branded event pages with QR entry and check-in for registered guests
- Guest list import and export, with check-in status for every guest
- Opt-in attendee directory, profiles and saved connections
- Organizer console with team admins and branding for each organization
- Member directory apps with dashboards and referral sharing, in live use by three Northern Virginia business associations
- Role-based access, database-level security, a separate test environment and automated checks

COMING SOON

- Group check-in with no app or account; registration with QR passes, door list and walk-ins
- Schedules, venue maps, exhibitor and sponsor directories, and event updates
- Guided event setup and an entrance welcome screen
- VYBX Connect resource guides by need at VYBX Live events
- Registration and attendance counts in VYBX Insights

ON THE ROADMAP

- **Live:** tourism, agritourism, downtown discovery, digital passports, ticketing and sponsor payments
- **Engage:** tiers, renewals and applications; Engage, Live and Insights on one shared platform
- **Connect:** year-round resource directory, partner profiles, referral tracking
- **Insights:** cross-platform reporting, sponsor impact reports, exports for funders

DIFFERENTIATORS

- **No app to download.** Guests and members use any phone browser.
- **Your brand.** Configured without custom development.
- **Privacy first.** People looking for help never need an account.
- **Local.** Built and supported in Prince William County, Virginia.
